Barbara:

Thanks. I will pick the files up tomorrow. I am not sure if we have a FOIA yet. But, I will treat the email request below as the official FOIA request. Ms. Williams did leave a voicemail message regarding the files.

Hi Louann,

I have located the files from the RCRD record center and have them in response to this person's inquiry below. Is anyone assigned to this request yet? Would they be able to pick up the files which I have in my office?

Hi Meghan,

I have cc'd our FOIA office manager and she can take your request from here, but I can say that it may be difficult to locate these files. The old Brownfields reports have been exceedingly difficult to locate, but the request is in and EPA will be in touch with you. The City of Anderson conducted the Assessments under a 1999 Brownfields Cooperative Agreement, #BP 98486099.

Subject: Brownfields Reports - FOIA

Hello –

I hope you are doing well!

I am working at Weston & Sampson in Columbia, SC and we are doing a Phase I report for the Anderson Mill in Anderson, SC.

We need a FOIA for the old Brownfields reports for the property, and I was wondering if you were the person I needed to speak with to get more information.

If you would like we can speak on the phone to discuss it in more detail. Please let me know a good day and time to call.

Thank you,

Meghan Franco
